Jesus, Mohammed, Buddha, Krishna... Are they the same? There are many religions and faith traditions in our world. How do we understand that Christianity is unique compared to other world religions? Furthermore, is Jesus unique compared to other gods? If you are interested in questions and finding answers on religion, philosophy, and worldviews then don't miss this series entitled, "Jesus in the Mall gods" by Indian-born Christian apologist Reuben David.

SPECIAL SPEAKER:

APOLOGIST REUBEN DAVID
"JESUS AMONG OTHER GODS"

Reuben David has dedicated his life and ministry to a reasoned defense of the gospel and a broader understanding of the historic Christian intellectual tradition. He has spoken in India and America, addressing media and religious leaders in several different venues. Born and raised in India – home to Hinduism, Islam, and Buddhism – Reuben is well-versed in the practical realities of comparative religions today. His first-hand knowledge of religions, cults, and the competing philosophies and ideologies of our day has made him a popular lecturer and seminar leader with university students and adult audiences alike. Mr. David holds master's degrees in mass media, psychology, and religion from Regent University in Alexandria, Virginia, and from Bangalore University in India. A former professor at the North Central University in Minneapolis, Minnesota, he is currently a Christian apologist and speaker on spiritual matters. Also associated with *FaithSearch* International Ministries, he is very passionate about preaching the gospel and desiring revival among churches in North America.
