SERMON NOTES

I AM EL SHADDAI | GENESIS & EXODUS

While the designation of El Shaddai (God Almighty) is not as common as other names for God, it captures and brings together characteristics about God that gives us a bigger picture of His being. The essence of El Shaddai is that God is the "All Sufficient One".

El Shaddai has revealed Himself -

El Shaddai is a God who calls us into relationship -

El Shaddai is the Sufficient and Sustaining One -

El Shaddai is the One who is generous with His resources -

El Shaddai is committed to righteousness -
