

For the first time in history, John Bunyan's epic tale of a pilgrim and his burden is coming to theaters! Based on one of the best-selling books of all time, *The Pilgrim's Progress* is the one story that can give our children the courage to stay on the straight path in a culture that often stands against them.

Grove Kids has been given a very limited opportunity to host a private screening of "The Pilgrim's Progress" film which will be out in theaters April 18 & 20.

These private screenings are limited and we can only send personal invites. Outside advertising, such as social media and radio, cannot take place. We will be viewing an exclusive pre-release of the film in current format (Final edits, sound and some of the special effects are yet to be completed.)

There is no cost for us to host this private screening - but we have been asked to take a freewill offering to help support the global distribution of the film.

So.....we are very excited to invite you (everyone in the family is welcome) to join us as we screen "The Pilgrim's Progress" on Saturday, April 6, 2019 at 6:00 pm:
